2024 Departures:
June 18-22; Aug. 20-24
Tour Code ARK9

DAY ONE

This morning we gather to begin our journey through Wisconsin and into Ohio. We'll pause for a quick lunch before continuing our journey southward bound to our overnight lodging at the **Holiday Inn Express, Covington, KY** for the next **four nights**. Tonight, enjoy an **included dinner** at the nearby **Hofbrauhaus** for German specialties and *Gemütlichkeit*.

DAY TWO B, D

We have a great day in store today. The highlight attraction is **The Ark Encounter** in Williamstown, KY. This is a full-sized replica of the largest wooden timber structure in the world. The fabled Ark is 510 feet long and more than 50 feet tall before the sail is added with hundreds of displays, including mock-ups of animal stalls, recreations of how Noah and his family may have lived, and even an animatronic version of Noah. It offers the same quality as Universal Studios and is **ONE OF A KIND IN THE WORLD**. Tonight, we **dine at Rafferty's**.

DAY THREE B, D

This morning we tour the **Cathedral Basilica of Assumption** in Covington, modeled after the Notre Dame in Paris. Next up we visit the American Sign Museum, home to neon signs of the 40s, 50s, and 60s. **Findlay Market** is our next stop where we get a guided 'tour and a treat' of this amazing farmer's market. After a freshen-up break at the hotel, we board the **BB Riverboat** for an **included dinner**.

DAY FOUR B, L

This morning it's a pleasant drive to the **Creation Museum**. The 75,000-square-foot facility allows visitors to experience earth history as God has revealed it in the Bible. Nearly 150 exhibits feature fearsome animatronic dinosaurs, talking heroes of the faith, and professional displays that honor God's Word. The museum also boasts a fun-filled, 200-seat special effects theater, a state-of-the-art planetarium, a petting zoo and several nature trails. Enjoy an **included lunch** while at the museum. Tonight, we tour **MainStrasse Village**, home to hundreds of Italianate homes.

DAY FIVE B

Our final touring day is upon us. Our first stop is the **American Sign Museum** to indulge in the nostalgia of classic neon signs. We're soon back on the coach making our way towards home. A final stop will be made at enthralling **Shrine of Christ's Passion**. This multi-media interactive, half-mile winding Prayer Trail depicts the last days of Jesus Christ's life. Forty life-size bronze sculptures in a tranquil setting, complete with beautiful music and amazingly sculptured gardens allow visitors to experience the story of the crucifixion and resurrection as never before.
