TOUR & TRAVEL

Put-In-Bay

America's North Coast

4 Days / 3 Nights

2023 Departures:
July 17-20; Aug. 14-17

Tour Code: PUT9

DAY ONE L

Often called the “Key West of the North”, Put-In-Bay features historic sites and breathtaking water views. Off the shores of Lake Erie on South Bass Island lies Put-In-Bay, a quaint Ohio village accessible by ferry. Join our group as we motor to this nearby summer playground. We'll enjoy **three nights** at the **Hampton Inn** in Maumee, OH then hub & spoke to area attractions.

DAY TWO B, L, D

This morning we head a little further east with a photo stop at **Marblehead Lighthouse**, the oldest lighthouse in continuous operation on the U.S. side of the Great Lakes. Delight in the excellent views of Lake Erie, Sandusky Bay, Kelley's Island and South Bass Island. Later this morning we arrive at the **Jet Express Terminal** in Port Clinton, OH. Board the high-speed **catamaran** into Sandusky Bay and enjoy all-weather seating or open-air if you prefer. You will pass seven Lake Erie islands on this narrated voyage to South Bass Island. Upon our arrival we'll board a **tram** for a driving tour of the island. You'll have a *Ship to Shore Passport* which affords you admission to *Crystal Cave, included lunch, the Perry Monument, the local winery for a complimentary glass of island-made wine* and several other stops. Enjoy **The Boardwalk** for dining and drinking options many complete with casual nautical décor for a real summer experience. Spend the day getting to know Put-In-Bay, the biggest city on South Bass Island. Later we return dockside and head to **1812 Food & Spirits** for an **included dinner** before returning to our hotel for much needed rest.

DAY THREE B, D

After breakfast we'll travel to the east side of Toledo to visit the **National Museum of the Great Lakes**. Operated by the Great Lakes Historical Society, the museum celebrates the natural and built heritage of the North American Great Lakes from a U.S. perspective. Its most notable achievement is the docking location for the **S.S. Col. James M. Schoonmaker Lake freighter**. Explore the waterfront for lunch on your own prior to your excursion on the **Sandpiper**, a 100-passenger cruise vessel plying the waters of the Maumee River. Our **Farewell Dinner** this evening will be at a local eatery.

DAY FOUR B

Enjoy your final breakfast at the property before joining up with the group for our return voyage back home.
